In the Matter of License 4500 (Application 8741)

Mary L. Lawrence and Lois M. Skullestad

**ORDER REVOKING LICENSE**

---

SOURCE: Addie Gulch

COUNTY: Inyo County

---

**WHEREAS:**

1. The Licensee requested on March 14, 2008 that the License be revoked by the State Water Resources Control Board (State Water Board), Division of Water Rights (Division).
2. The Division interprets the Licensee's request for revocation as a waiver of the notice and hearing requirements set forth in Water Code sections 1675 through 1675.1.

Therefore, it is ordered that License 4500 is hereby revoked by the State Water Board, and the water is declared to be subject to appropriation. This revocation may not result in additional water being available for new appropriations if there are applicable restrictions due to past State Water Board decisions regarding water availability.

**DIVISION OF WATER RIGHTS**  
**ORDER**

Application 8741 Permit 4907 License 4500

**ORDER AMENDING LICENSE**

**WHEREAS:**

1. License 4500 was issued to M. H. Collins, Ray T. Ashman, E. Paul Rooth, and Tom Carr and recorded at the office of the Inyo County Recorder on January 14, 1957.
2. License 4500 was subsequently assigned to Mr. Arthur Lawrence.
3. License 4500 confers upon Mr. Arthur Lawrence an appropriative right to use water from Addie Gulch tributary to Lead Canyon thence tributary to Saline Valley in Inyo County.
4. Fish and Game Code Section 5946 requires that the State Water Resources Control Board condition Licenses that authorize diversion of water in Department of Fish and Game District 4 ½ (Inyo and Mono Counties) to specify compliance with Section 5937 of the Fish and Game Code.
5. The License was issued without referencing compliance with Section 5937.
6. Since amendment of License 4500 to require compliance with Fish and Game Code Section 5937 is a ministerial action, this Order is exempt from the provisions of the California Environmental Quality Act (CEQA) and the State CEQA Guidelines in accordance with Section 21080 of the Public Resources Code.

**NOW, THEREFORE, IT IS ORDERED THAT:**

The following condition is added to this License:

In accordance with the requirements of Fish and Game Code Section 5946, this License is conditioned upon full compliance with Section 5937 of the Fish and Game Code.

Dated: **JUNE 16 1997**

(the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of  
Addie Gulch in Inyo County

tributary to Lead Canyon thence Saline Valley

for the purpose of domestic use

under Permit 4907 of the State Water Rights Board and that said right to the use of said water has been perfected in accordance with the laws of California, the Rules and Regulations of the State Water Rights Board and the terms of the said permit; that the priority of the right herein confirmed dates from July 23, 1936; and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to the amount actually beneficially used for said purposes and shall not exceed nine hundred (900) gallons per day to be diverted from January 1 to December 31 of each year.

The point of diversion of such water is located north seventeen degrees, forty-five minutes west (N 17° 45' W) three thousand eight hundred (3800) feet from Division of Water Rights Lead Canyon Monument, Located at mouth of Addie Canyon and being within NE $\frac{1}{4}$  of SE $\frac{1}{4}$  of projected Section 6, T 12 S, R 37 E, MDB&M.

A description of the lands or the place where such water is put to beneficial use is as follows:

At Bunker Hill Mine within SE $\frac{1}{4}$  of SE $\frac{1}{4}$  of projected Section 5, T 12 S, R 37 E, MDB&M.

All rights and privileges under this license including method of diversion, method of use and quantity of water diverted are subject to the continuing authority of the State Water Rights Board in accordance with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time to time by the State Water Rights Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein specified and to the lands or place of use herein described.

COVERED BY LICENSE ORDER NO. 8

*This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:*

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
